FACIAL TREATMENTS

Soin nettoyage de peau - facial cleansing

Deep facial cleansing, purifies the skin by removing impurities thanks to vitamin C and a quartz and ruby scrub.

Beauté éclatante - revitalising

Quick and effective treatment to immediately regain contact with beauty thanks to a mask with grape polyphenols for a glowing face.

And what skin do you have? Personalised treatment

Your skin tells everything about you. Choose the ideal treatment for your skin for a targeted and customised action.

Anti-stress homme - indicated for men

Draining trace elements, mask with a synergy of plants and vitamins for a relaxed, relaxed and radiant skin.

Soin anti-rides - eye contour

Revitalising treatment dedicated to the eye contour area. Gives freshness to the eyes, lightening dark circles.

Soin lifting raffermissant - lifting

Indicated for atonic skin without elasticity. The face and its contours are redrawn, the skin is toned and rejuvenated.

Skin bright defender - anti-stain

Lightening, anti-stain treatment with illuminating, anti redness and anti-ageing.

Nicotine détox - purifying

Dedicated treatment for smokers' skin to obtain a tissue immediately purified and regenerated.
